

7 stages of embedding digital

Stage 6: Digitally established

What's the situation?

- You have the right strategy and implementation resources to fully harness digital

What outcome gets me to the next stage?

- Continual renewal of digital to ensure that what you're doing always remains relevant and of value

How do I make this happen?

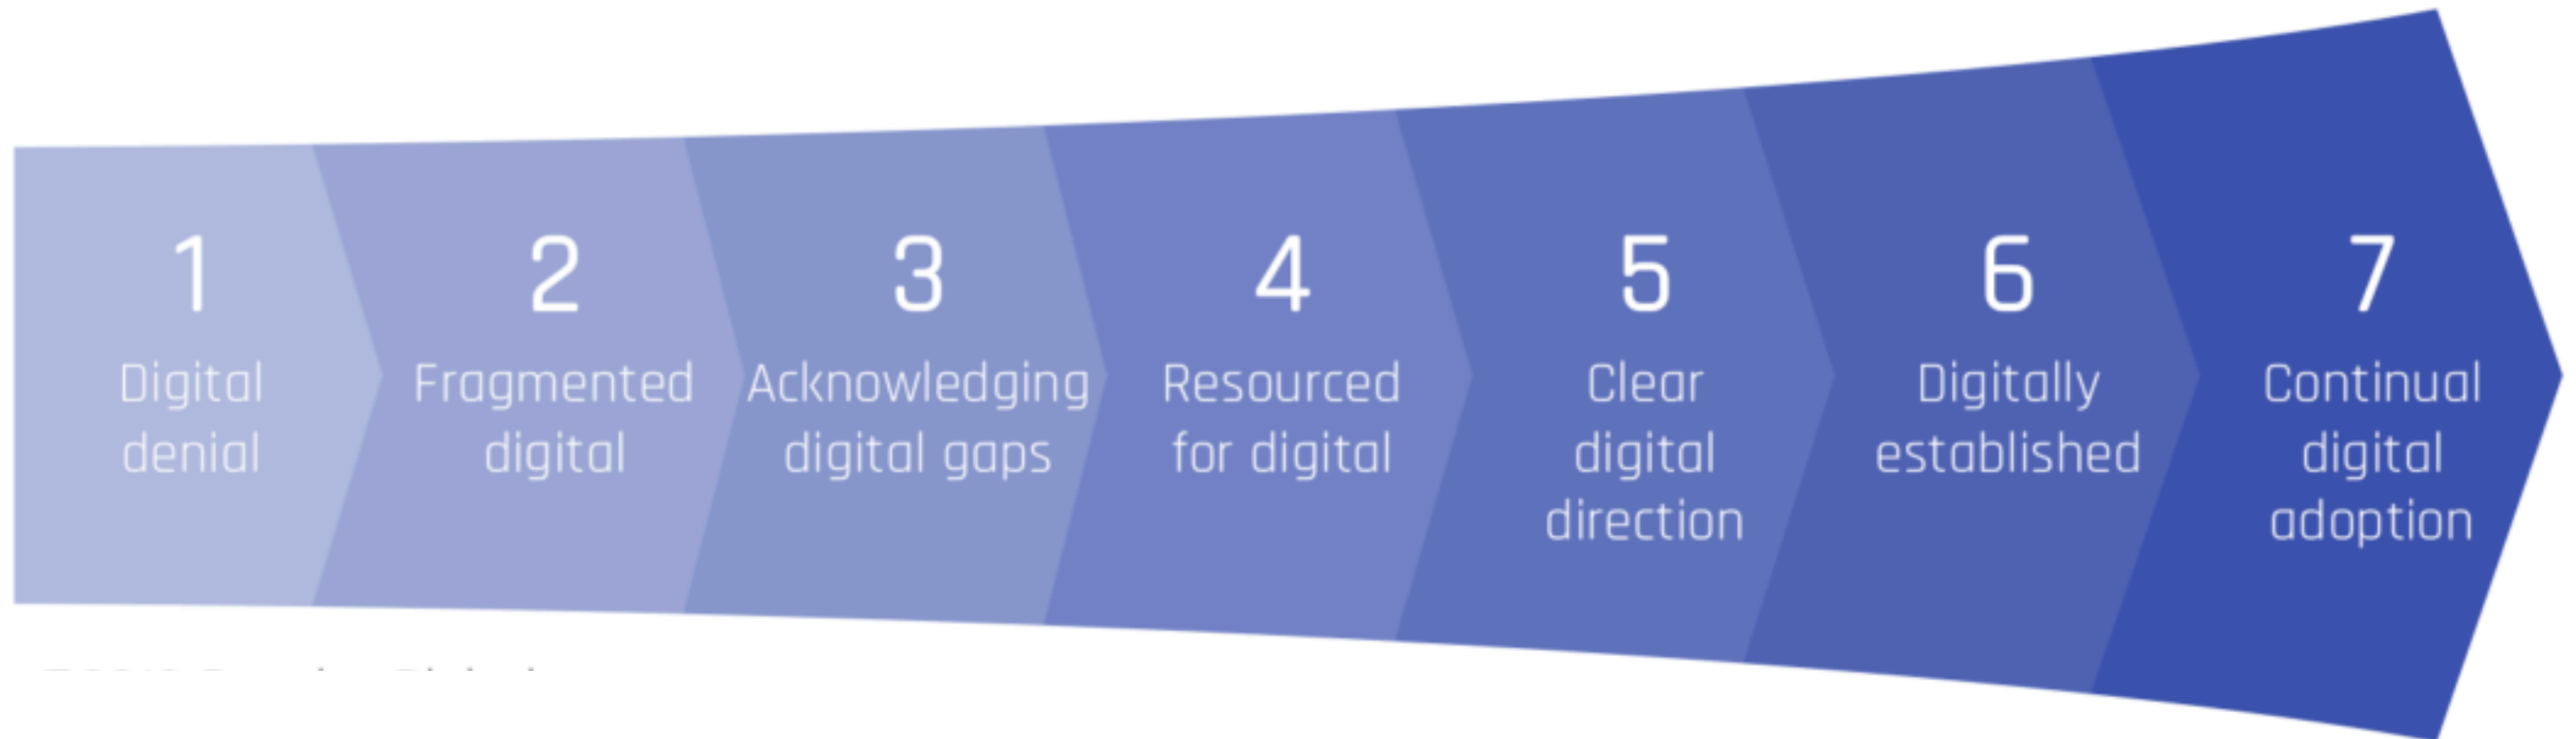

- Reassess your digital maturity and strategy at least quarterly and be agile enough to make changes accordingly

How can Rewrite Digital help?

- We conduct regular audits using a unique moving index that evolves as digital does
